- **Decision to keep Sexual Orientation and Gender fields as available for data entry:**
 - A vote was held, a slight majority approve to keep gender and remove sexual orientation.

- There are two major camps of thought: Those who believe it is important to keep for client rapport and local funding reasons, and those who believe HUD may use this against CoC's in the future.
- We will take the next vote at the Technical Expertise Committee meeting on Oct 2nd.

Agenda Item3: Dashboard Subcommittee Progress

- Subcommittee meets once a month, Monday at 2pm: next meeting is Sept 22nd
- New areas: Services dashboard
- Next Steps: Scoring Area based round System Performance Measures

Agenda Item4: Agency Liaison Training and Appreciation Brunch

- **October 14, 2025**
 - 10AM to 12PM
 - Agency Liaison Virtual Meet & Greet/Orientation
- **November 14, 2025 (Tentative)**
 - 10:30AM to 1PM
 - Agency Liaison/Tech Champ Appreciation Brunch
- Invites going out soon – stay tuned!

Agenda Item5: Training updates and upcoming Data Quality Monitor

- Moesha Herron provided some reminders around training, including:
 - Making sure all users are completing all training steps by reviewing a training report – if the user is missing a step, they won't get their login credentials until its completed.
 - Training requests should come from the Agency Liaisons
- Data Quality Monitors will resume starting Oct 1st – emails will be sent out to Agency Liaison to schedule, The Scorecard Dashboard will be used during the

monitor to assess an agency's data quality. We will also cover user and project updates during these meetings.

Next meeting date: [Nov 11th, 2025 at 10:30a]
